

## SUBMISSIONS GUIDE

The International ANDY Awards are a predictor of the industry's best as an Idea-based Show with a world-class integrated Jury, all work is reviewed together based on the IDEA and through different lenses including **CRAFT**, **RESET** (Innovation), and **BRAVERY**.

With integrated disciplines and diverse perspectives, our jury can recognize the work's merit and strongest attributes without being confined by categories. We aim to save our entrants time and expense by producing multiple case films for different types of media. Most excitingly, this model also allows for a broader pool of work to be seen.

Entrants are eligible to win **ANDY Gold** and compete for the Show's highest honor of Best-In-Show, the **GRANDY**. *\*Entrants are eligible to be shortlisted, win **GOLD** or Best In Shows, there are NO Silver or Bronze at the ANDYs.*

All winning work submitted on behalf of a non-profit organization is considered for Best In Show for Social Good. All ideas can be incrementally submitted for consideration of **RESET** (innovation) and its ability to be a **BRAVE** way forward.
